## Respekt in der Familie

In der Wiley Online Library ist für beschränkte Zeit ein Artikel von Susan S. Hendrick, Clyde Hendrick & Erin M. Logue zu lesen, der 2010 im Journal of Family Theory and Review zum Thema Respekt erschienen ist: "Respect is an important construct that plays a major role in interpersonal relations at the dyadic, family, and group levels. We review the multiple definitions of respect and build a model of respect. On the basis of general developmental family theory, we discuss respect in dyadic romantic relationships and in the family. Cultural aspects of respect are presented, and the article concludes with a proposed agenda for future research on respect in the family."Zum vollständigen Text...
